## Forcing Matthews.

Washipton, 21.—Pre-ident Hayes said Stanley Matthews' name will be left with the Senate to take its chances, adding; "He has received an assurance from Garfield that he will reappoint him in case he is not confirmed."

## The Bolly Varden.

Aims, Colo., 21.—The entire Dolly Varden mining estate was said to-day by Hall & Brunk, to the Beston Gold and Silver Mining Co., for four hundred notised dollars. This is one of the best utning properties in the state. Since its incovery in 1572, it is estimated that it as produced one million dollars worth fore. It emiraces one hundred and fry scree of patented ground on Mounters, only about one acre of which has sen p-netrated

New York, 21 .- The Sun says W. H. New York, 21.—The Sun says W. H. Vanderbilt has been unable to go to his office for ten days, or more. His lileess results from surgical operations to which he reserted for relief from hemorrhoid; for many years Mr. Vanderbilt has suffered from this docease as his father, did before him and more than once he has suff-red surgical treatment. His present illness has not, however, given his friends cause for alarm. Yesterday he was reported as much more comfortable and it is not thought that he will be much longer confined to his house.

## Garfield Gossip

Paineaville, 21.—Garfield's inaugural fill be practically extemporaneous. The rumor telegraphed that Governor outer spent Sunday at Mentor was

Republicans of northern Ohio think Levi P. Morton will be secretary of the treasury, and that northern Ohio, not Pennsylvania, will be represented in the remayivanta, will be represented in the cablines.

New York, 21.—World's Columbus, Ohio, special: Governor Foster went to Mentur to-day. Before his departure he told a correspondent that he had been undificially informed that he would be tendered a rabinet position, and he felt it to be his duty to accept it. He is clearly on the sixte as it stands at present.

is dered a cabinet position, and he felt is to be his duty to accept it. He is clearly on the sixt as it stands at precent.

After Apaches.

Fort Cuming, N.M., 22.—Lieutenant Morney, with companies A and D and Morney, with the Morney and Morney

league fully recognizes the noceasity for its organization and for a through gaingtation of its principles in every part of the Union.

The Sun: The steamship Mississippi, recently purchased by the Organ Steam Nevigation Company, will scon take her place and the Mississippi are willing at the dock of the Morgan Iron Works.

Sometest, K.Y., 22.—Harvey Russell stated on Saturday from a spelling match to stend a speaking at some distance; not returning at the proper time stance must returning at the proper time stance was made and he was found by the raddide stabbed in twenty-wing place, and his skull crushed. A hundred and fifty foliar watch and other are such as indigitally will be an addition of death, to make complaint. At this place he took andere inite boy and allow the polyen time should be boy to make and liked the boy to make him walk on. He whipped the boy until he nearly fainted. They had made a cate-onine talks and liked the boy to make how were seen with him to ward this place. They walked attrees the boy and the necessary of the took another fittle boy named Rain, to make complaint. At this place he took another fittle boy and make a cate-onine talks and liked the boy to make him walk on. He whipped the boy until he nearly fainted. They walked on to Richmond. Degree as they went, the boy being affait, or pain of death, to make complaint. At this place he took another fittle boy and and an advantage of the cordion between the work of the proper time structure of the state of Ireland continues, it is probable government will add to make a cate-onine talks and liked the boy to make for the proper time structure of the state of Ireland and the cate of the state of Ireland and the cate of the state of Ireland continues, it is probable government will and the proper time structure of the state of Ireland continues, it is probable government will be provided the proper time structure of the state of Ireland continues, it is probable government will be provided to the proper time and the proper time and the

Great discress exists.

William Ellis, writer on social science, is dead.

Lendon, 22.—In the Commons the attorney-general stated that objectionable parts of Parnel's speech at Clara will receive his careful attention. The announcement was received with cheers. Sir Charles Dilke said he expected to receive an invatation to the international monstary conference shortly.

In the House of Commons, Muldina, vice-president of the council, said government did not intend at present to prohibit the importation of pork from the United States.

Mundella added, that the yearly importation of pork, bacon, and hams from the United States.

Mundella added, that the yearly importation of pork, bacon, and hams from the United States, Canada, Germany and Denmark was most than twenty pounds weight per head for the whole repulsition of the United Kingdom. ## PILES! PILES! PILES! A Sure Cure Found at Last. No One Need Suffer.

A sure cure for the Blind, Bleeding, Riching and Ulcerated Piles has been discovered by Dr. Williams (an Indian remedy), called Dr. Williams Indian Contract. A single box has cured the worst chronic case of 25 and 30 years standing. No one need suffer five minutes after spojying this wonderful soothing medicine. Lotions, Instruments and Electuaries do more harm than good. Williams' Ointment absorbs the tumors, allars the intense liching (particularly at night after getting warm in bed), acts as a poultice, gives instant std paniess relief, and is prepared only for Piles, Riching of the private parts, and nothing else. Read what the Hor. J. M. Coffinberry of Cleveand, says about. T. Williams' Indian Pile Ointment: I have used Aced wint the root of a Counterry of Clevesind, says shoul or. Williams' Indias Pile Ontineat: I have used scores of Pile cures, and it affords ne pleasure to say that have never found anything which gave such immediate and permanent rolled as Dr. Williams' Indian Pile Officment.
